## FOR IMMEDIATE RELEASE

### On Ramp Closure for Interstate 280/Highway 4

**San Mateo County–** The California Department of Transportation (Caltrans) will close the on-ramp to northbound Interstate 280 from Highway 84 from 8:00 pm Monday night, April 18, until 7:00 am Tuesday, April 19. The closure will enable construction crews to safely install concrete barriers along the right hand side of the ramp. Once the barriers are in place, crews will begin building a retaining wall next to the ramp. Work will continue through October of this year.

While the on-ramp will only be closed for the one night, the right hand turn lane from westbound Highway 84 to northbound I-280 will remain closed for the duration of the project. However, the bicycle lane on Highway 84 will remain open.
